## June 2014

*News from the award winning leader*

Lift Shop continues to be involved with some remarkable projects, and we're very proud of the installations that have been completed... with many more still in progress.

Our lifts continue to be in high demand - for both their features and style. We increasingly find that the technology and safety features are a big draw card, but importantly, customers love the design flexibility. Then there's the quality, which is unbeatable - there's just nothing else quite like it.

It continues to give us great pleasure to share some of our most recently celebrated projects with you and this month we feature:

### *Canal Living*

For this opulent new home on the Gold Coast, the owners wanted their ElfoLift to be a standout feature as well as providing practical access to all three levels...

[To view the full article click here](#)

### *Coastal Curl Curl*

In this builder's own dream beach property, no expense was spared to create the ideal spacious home that the whole family could enjoy...

[To view the full article click here](#)

### *Raven Hood Court*

The conversion of this heritage building on Sydney's lower north shore into two apartments proved to be a unique project. After close collaboration with the architect and builder...

### *Flush Mounted Push Button Phones*

We are pleased to announce the introduction of our exclusive flush mounted push button phone option. Many times we have had clients and Architects ask if there was an alternative to the regular wall mounted phone handset. We have taken this on board and can now provide an effective and great looking alternative...

Would you like to know more about our lifts, the industry standards, our projects ?

Our Sales and Design consultants make regular presentations at various forums - inhouse, formal, whatever you prefer.

Please let me know if this is of interest and I would be happy to organise a presentation for you too.

## **Feedback**

*We love to hear what our customers think. If you have any feedback on any of the above stories, or would simply like to tell us about your Lift Shop lift experience or project, please [contact us](#).*
