## **April 2015**

*News from the award winning leader*

Lift Shop continues to be involved with some remarkable projects, and we're very proud of the installations that have been completed... with many more still in progress.

Our lifts continue to be in high demand - for both their features and style. We increasingly find that the technology and safety features are a big draw card, but importantly, customers love the design flexibility. Then there's the quality, which is unbeatable - there's just nothing else quite like it.

It continues to give us great pleasure to share some of our most recently celebrated projects with you and this month we feature:

### *Teneriffe*

With vision and passion, the developer saw a blank canvas in this unassuming older style sawtooth roof factory in the riverside suburb of Teneriffe...

[To view the full article click here](#)

### *Lot of Stairs - No Problem*

In the past, a sloping block of land may have deterred some and resulted in a smaller scale home to minimise the number of stairs...

## Hamptons on Goldie

With a meticulous attention to detail, the level of thought and planning to every aspect of this beautiful home on Main Beach...
