News from the award winning leader

Whilst we continue to be involved with remarkable projects on both sides of the Pacific, we also continue to update and improve internally to ensure we provide our valued clients with the best possible, including product improvements, showroom upgrades and fresh marketing materials.

In recent months we have been busy with:

- Expanding our Sydney offices into a new Operations Centre as well as a upgraded Sales/Marketing and Training Centre
- New signage on our Brisbane Elfo 2
- Installation of a new Supermec and glass shaft in Melbourne

- Expanded showroom and new display lift in Perth
- New brochures - see downloadable links below
- New website being developed - stay tuned

So please drop into one of our showrooms soon, our experienced Sales and Design team would love to meet with you and explore the endless opportunities available for your project.
