

ELEVATOR BOUTIQUE

THE Q1 REIMAGINED

The Q1 will transform your home and elevate your everyday experience, featuring new colorways of black and grey plus Elevator Boutique's In Cabin Self Rescue.

Smart engineering, premium craftsmanship and state of the art technology means safety will always be the number one priority.

This compact solution offers affordable preselected designs and finishes, quicker installation times, and minimal construction with zero shaft space.

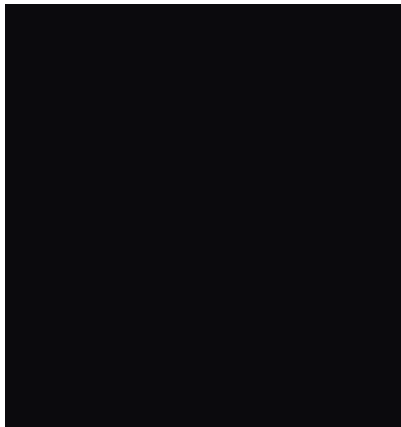

SAFETY FIRST

Sensors detect the lightest weight and the smallest obstacles. In Cabin Self Rescue is a standard feature along with Emergency Lowering.
