# 8 great reasons to choose Elevator Boutique

## 01 CERTAINTY

Trust is the biggest factor when it comes to installing an elevator into your home.

Having confidence in the design, function, and safety of your elevator relies on choosing someone you can trust.

Elevator Boutique thrives on our existing relationships and repeat business.

Architects and designers choose us because they understand that trust is valuable and know that they can rely on us to get the job done.

## 05 THE LEADER FOR TECHNOLOGY

2 speed drives for maximum speed with smooth acceleration.

Computer monitoring of the latest elevator operations for efficient diagnosis and repair.

Sized to suit, and styled to suit, has always been the Elevator Boutique advantage and the big difference from others.

## 02 SAFETY FIRST

In-cabin self-rescue feature is a standard inclusion.

24/7 call center assistance.

Compliant to California market, refer to local AHJ.

Full height infra-red light ray curtains.

Automatic lower and unlocks in the event of a power failure.

Proven reliability.

Proven technology.

## 06 A GENUINELY GREAT REPUTATION

Through years of dedication to our clients satisfaction, Elevator Boutique has built a reputation for getting the job done well.

Check Google Reviews and the testimonials on our website to learn more.

We do not offer marketing testimonials.

Working with Elevator Boutique is fun and easy.

## 03 UNBEATABLE VALUE

Our formula:

Elevators – proven long history, stable and secure manufacturer, ultra-reliable premium quality.

Popularity – Elevator Boutique has risen to the top and become the most in demand full-service elevator company for contractors, designers and clients in California.

Costs – Annual costs shared by 5 offices, 1200+ new elevator clients, and thousands of routine service clients. We do not have hidden extras.

## 07 LOW SERVICE COSTS

We offer regular service appointments to ensure the reliability of your elevator.

During these appointments we adjust, lubricate and test the elevator to make sure everything is running smoothly.

We focus on you, with service plans tailored to your needs.

Our large service team maintains 1000's of elevators. See the mapping interface online for the service clients near you.

## 04 THE PROCESS

We are not like the others. Our designers assist to create the right elevator, personalized to your requirements.

After your order is agreed, the construction support, site managers and installation teams will ship your European made elevator to site and install it.

Our 200+ full time and experienced employees are installing more than 1200 new elevators a year in California and Australia. The service department provides 24/7 support after that.

## 08 THE NO.1 HOME ELEVATOR SPECIALIST

Elevator Boutique is a genuine full-service elevator company with a range of premium proven home elevators.

We are the undisputed leader in European elevators.

We speak English, not jargon.

Our documents and quotes are clear and easy to understand.
